EXTRACURRICULAR ACTIVITIES

- Donaghey Student Committee
 - Helped organize events to increase student moral, and community involvement.
- Art and Film Club
 - Keep track of meeting minutes and maintain contact with all members.

PROFESSIONAL PROFILE

Organized, hard-working, and collaborative web designer. Looking for a position that will allow me the opportunity to learn and grow both as a person and a professional. Desire a position that will allow me to incorporate my graphic design knowledge into the web design environment. Particularly interested in learning more about UI/UX.

EDUCATION

BA in Web Design with a minor in Information Technology

University of Arkansas at Little Rock (2021-Present)

- Expected graduation date May 2025
- 3.56 GPA
- Deans List

MAIN COURSES

Donaghey Scholars Program

- APP and Web design courses
- Video Editing and Media Development
- Multiple Graphic Design Courses

EXPERIENCE

Mapping Urban Fracture January, 2024 - Present
Usability Testing

- Assisted the Arkansas Historical Society by organizing and conducting usability tests. Worked with a team, conducting tests with multiple subjects over the course of a semester.

Milk Chocolate June - August, 2024
Web Development Intern

- Worked with multiple aspects involved in the creation of a fully functional website. Emphasis was placed on UI planning and development. During this internship I was tasked with creating multiple UI elements to improve sites overall workflow.
